

# Ellen van Scheers

GRAPHIC DESIGNER

## ABOUT

Hi! I'm Ellen, a fourth-year graphic design student from Amsterdam, currently studying at ArtEZ University of the Arts. Somewhere between illustration, animation, photography and graphic design, I put my all in creating communicative work. I specialize in artist branding and like to surround myself in the creative community.

## EDUCATION & EXPERIENCE

|             |                                                                                                                                                                                               |
